Sponsored by: The University of Iowa Roy J. and Lucille A. Carver College of Medicine, Department of Emergency Medicine.

Accreditation: The University of Iowa Roy J. and Lucille A. Carver College of Medicine is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

Credit: The Roy J. and Lucille A. Carver College of Medicine designates this live activity for a maximum of 5.0 *AMA PRA Category 1 Credit(s)*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Content: Determination of education content for this educational activity and the selection of the speakers/facilitators are responsibilities of the activity director. Any commercial firms providing financial support did not have input in these areas.

Disclosure Policy: Everyone in a position to control the content of this educational activity will disclose to the CME provider and to attendees all relevant financial relationships with any commercial interest. They will also disclose if any pharmaceuticals or medical procedures and devices discussed are investigational or unapproved for use by the U.S. Food and Drug Administration (FDA).

Target Audience: Faculty, residents, medical students

Educational Objectives for the Entire Series: Upon participating in this Emergency Medicine educational series, the participant should be able to:

- Recognize the signs and symptoms of the conditions listed in the Model of Clinical Practice for Emergency Medicine
- Practice patient-centered, team-based care in the Emergency Department with efficiency and respect for patients and their families.
- Demonstrate effective transitions of care between all members of the health care team from triage to final disposition.
